

## Catalyst Addition Unit

Serial number base frame AAU 010

Year of manufacturing 2009

Performance mt/day 5

### Technical data AAU

#### Mechanical

ASME Code VIII, Div 1,

PED 97/23/EC

Design pressure barg 9.3

Design temperature °C -15/55

Electrical ATEX Zone 2 IIB T3

#### Weight

AAU base frame kgs 1650

AAU base frame + filled flow bin kgs 3000

#### Size

AAU base frame 1800 x 1800 x 1850

AAU base frame + filled flow bin 1800 x 1800 x 4350

### Utility requirements

#### Instrumentation air

Minimum pressure barg 5

Flowrate Nm<sup>3</sup>/hr 6

#### Transport air

Minimum pressure barg 5

Flowrate Nm<sup>3</sup>/hr 60

Power supply

110-240 VAC single phase 50/60Hz,  
4 AMP

**Terms & conditions**

Minimal leasing period	months	3
Transport cost		At cost
Installation & commissioning		Mandatory
Refurbishing cost	€	2500.00 (charged upon return)

**Pricing**

Monthly rental fee	€	2950.00
--------------------	---	---------

This stock can be shipped one week after order confirmation.

Notes

Leasing starts when loader leaves premises at Gambo and stops when returned.  
When parts are lacking, or broken, then the costs of replacement will be charged.
